EPOS

android

Register by Smart Volution is cost-effective EPOS software, which is simple to use, feature rich and applicable for a wide range of businesses including retail, hospitality and salon & service.

Register comes in three versions; Register Lite, Core and Plus. Register Lite is an entry level EPOS (e.g. food trucks), Core is designed for typical retail, and Plus is an extension to provide enhanced functionality for hospitality and service.

INNOVATIVE EPOS FOR EVERY BUSINESS

- RETAIL
- HOSPITALITY
- HEALTH & BEAUTY
- FIELD SERVICE
- LEISURE & TOURISM
- LOCAL GOVERNMENT
